IN RE:

JAMES JOHN TODD KINCANNON

Debtor.

Case No. 19-01583-hb United States Bankruptcy Court
Columbia, South Carolina

Chapter 13

MOTION RE CREDIT COUNSELING

The Debtor, James John Todd Kincannon, respectfully moves for an order excusing him from participating in credit counsel due to disability at the present time. The Debtor suffers from bipolar disorder and his current medication regime makes credit counseling a pointless exercise, as it interferes with his ability to handle financial matters in a typical fashion. The Debtor hopes that his medication regime will change in the near future to one that will enable him to gain benefit from credit counseling, and should that happen, the Debtor will immediately notify the Court and make all efforts to obtain credit counseling forthwith.

Respectfully submitted,

J. TODD KINCANNON
